INSPIRING GREATNESS

INSPIRING GREATNESS

INTRODUCTION TO UKZN

The University of KwaZulu-Natal is situated in the subtropical seaside city of Durban and in the Midlands city of Pietermaritzburg, capital of the province of KwaZulu-Natal, South Africa.

It has a climate that invites one into the outdoors, whether it is for surfing or hiking in the lovely Drakensberg mountain range only 2 hours away, or wild game and bird viewing in the internationally renowned national parks.

Durban is a city whose urban renewal programme has given us a world-class asset in the architectural delight of the Moses Mabhida Stadium, aesthetically pleasing landscape projects as part of the Greening Durban Project as well as ongoing city-wide revival and re-generation programmes.

The mix of Zulu, Indian and European cultures in the city makes it a unique urban environment in which to live and work.

The University of KwaZulu-Natal (UKZN) offers an exceptionally wide range of exciting and innovative courses that will broaden perspectives, foster a capacity for independent critical thinking, and provide intellectual tools to develop your mind, while at the same time enhancing your career opportunities in the local and global marketplace.

The College of Health Sciences is a multi-professional institution devoted to the pursuit of national and global excellence.

Its outstanding scholars function holistically, ethically and in a socially responsive manner within the African health care environment while actively engaging international collaboration and partnerships for education, research and advice.

DE-CENTRALISED TRAINING / CLINICAL PLACEMENTS (DCTP)

Note that all students in all the College of Health Sciences programmes are required to undergo clinical training / placements at training sites located

at areas outside of Durban (of which some may be in rural KwaZulu-Natal) as part of their mandatory HPCSA / SAPC / SANC clinical training. Such placements are compulsory, non-negotiable, may be on a rotational and /or longitudinal basis and may extend up to a year or longer. Whilst the University/ College of Health Sciences will provide clinical training in collaboration with the KZN Department of Health, in line with UKZN regulations; students are responsible for the cost of travel, accommodation and the basic costs of living, as applicable to and in the placement site.

MESSAGE FROM THE DEPUTY VICE-CHANCELLOR: COLLEGE OF HEALTH SCIENCES

Throughout South Africa there is a need to optimize service delivery and increase the number of Health Care Professionals (HCP) in all cadres across the health spectrum. The province of KwaZulu-Natal (KZN) as a rural province and with a huge burden of disease, has a specific need for service delivery which should ideally support clinical training. The principles for supporting the National Health Insurance (NHI) by following a Primary Health Care (PHC) approach has been accepted by UKZN and the KZN Department of Health (DoH) for training of all HCPs. The KZN DoH and College of Health Sciences (CHS) of UKZN have developed a decentralized clinical training approach seeks to enhance clinical training to be relevant to the South African context.

As such, it is compulsory for all our College of Health Sciences students to serve in our Decentralised Clinical Training sites (Port Shepstone, Madadeni, Empangeni, Newcastle, Stanger, Pietermaritzburg as well as a range of hospitals in deep rural areas such as the Church of Scotland and Bethesda hospitals.

These are exciting times as we – KZN DOH and CHS UKZN as partners – move forward to make history that will change clinical training in South Africa and ensure that our students are best equipped for their professional career as a Health Care Professionals.

Welcome to the College of Health Sciences. We are a progressive, caring, ethical and socially responsive

College underpinned by the principles of universal healthcare and excellent scholarship.

Our college currently consists of four Schools namely:

- Health Sciences
- Clinical Medicine
- Nursing and Public Health
- Laboratory Medicine and Medical Sciences

Our mission is to be a socially responsive college providing a holistic experience of excellence in health professions education, research, innovation, entrepreneurship, community and stakeholder engagement and health services.

We are underpinned by a number of values including:

Respect WITH CARE.

Excellence WITH ENTHUSIASM.

Accountability WITH ETHICS.

Client Orientation WITH INCLUSIVE DIVERSITY.

Honesty WITH INTEGRITY

Trust

We are a caring college, that advocates for social justice and excellence.

IMPORTANT INFORMATION FOR STUDENTS WHILE IN HOSPITAL

- Students to wear their white coats at all times during hospital hours.
- Student's cars will not be allowed inside hospital premises.
- Students are expected to display their student cards at all times.
-

CONNECTIVITY

- UKZN LAN connectivity, printing facilities and WiFi is provided.
- Free WiFi connectivity is also provided to students in the residences.

TRANSPORT

- Transport is provided to and from the hospitals as well as all intake sites.
- Students are encouraged to be punctual as transport functions on predefined schedules.

STUDENT CONDUCT

- All UKZN students are expected to comply with the "UKZN Rules for Students."
- Students in the CHS pursuing degrees involving clinical work are expected to act in accordance with the ethical norms laid down by the HPCSA, SANC, PCSA.
- Students presenting with Impairment (physical, mental) impacting on fitness to practice and/or unprofessional conduct on-campus, off-campus, in hospitals, clinics and in public spaces, that may as a result impact on clinical intervention and /or bring the institution into disrepute, will be managed according to University Rules, the HPCSA, SANC, PCSA stipulations and the College Policy on "Management of Student Impairment".

COLLEGE GUIDELINES FOR NEEDLE-STICK INJURIES, AND MEDICAL EMERGENCIES

- Anti-retroviral drugs to be administered within one hour!
- Wash area with soap and water. Mucous membrane splashes to be thoroughly flushed with water for several minutes.
- Report NSI immediately to your supervisor and the Campus Health Clinic. Proceed to the Clinic for treatment.
- Use condoms for 12 weeks from the date of the NSI.
- NB: Please refer to the University NSI Policy for more details

After hour's emergency:

Report the NSI to the local person in charge wherever you are at the time. Report the incident to the Campus Health Clinic as soon as office hours resume.

STUDENT HEALTH SERVICES

Students may visit the Campus Health clinic on their campuses for primary health care services. Students will have to present their student card to confirm that they are UKZN students.

For after-hours medical issues students with private medical cover may use their option to contact their private practitioner of choice. All students are

covered by the UKZN Student Services Medical Cover, which will allow students to be transported by ER24 (084124) to the nearest provincial hospital. See below for contact details.

CAMPUS HEALTH CLINICS

- Howard College Health Clinic: 031 260 3285
- Edgewood Health Clinic: 031 260 3252
- Westville Health Clinic: 031 260 7302
- Medical School Health Clinic: 031 260 4506
- Pietermaritzburg Health Clinic: 033 260 5208
- E-MAIL ADDRESSES FOR HODS:
CampusClinics@ukzn.ac.za

VACCINATION AGAINST HEPATITIS B:

All students will be screened for Hepatitis B and vaccinated accordingly. The Hepatitis B immunization programme consists of a course of 3 injections - an initial vaccine dose (at registration), followed by a 2nd dose after 30 days, and a final dose 6 months after the 1st dose. Hepatitis B immunization may be administered, at your own expense, either by your private doctor or by the UKZN Occupational Health Clinic. If administered by your family doctor, proof of vaccination must be produced at registration.

Towards the end of your first year you will have a blood test, to determine if you have been successfully vaccinated.

Note: It is important that you comply with all the follow up appointments at the Occupational Health Clinic and complete the vaccination programme before you register for the 2nd year.

STUDENT SUPPORT SERVICES (SSS)

SSS plays a critical role in enhancing the wellness, holistic growth and development of students. We provide students with constructive help to support them as they navigate their journey from 1st year through to graduation. Our Services are designed to impact on the student in both the 'Teaching and Learning' and the 'Living and Learning' contexts.

We offer a free, professional and confidential counselling, career, wellness and academic support service to all registered students of CHS.

Some specific services offered are:

- Individual Personal Assessment and Counselling
- Career Assessment, Counselling and Development Services
- Group intervention
- Support groups
- Academic Skills Development
- Student Wellness and Academic Success Programme
- Crises/Trauma Management
- Life skills Development
- Peer Wellness Mentoring
- First Year Experience Mentoring and programme
- Living and Learning Communities

ALL STUDENTS ARE REQUIRED TO COMPLETE ACADEMIC REGISTRATION ON THE DATES SPECIFIED FOR EACH SCHOOL

Those with financial clearance must register on-line. All other students, with academic holds, must present themselves in person at the registration venue on the specified dates. This includes those students who do not yet have financial clearance. New students must have paid their **R250 acceptance** fee and a further **R5700** to make up **initial deposit of R5950**. Students without financial clearance must complete their academic registration but their registration will not be finalized until such time as they are cleared financially. The final day for academic registration for first time entry undergraduate students, returning UG, Hons, PGDIP, CWM, and New Hons, CWM, Research M&D students is **14 February 2025**.

FINANCIAL CLEARANCE

[Refer to the Student Fees Booklet for further details]
Students who have paid the required initial deposit of R5950 will have financial clearance, provided this has been done sufficiently in advance of the day of registration.

Students who are funded by Financial Aid, scholarships, bursaries or other funders and have met the requirements outlined below, will have financial clearance.

For self-funded students, financial clearance is given automatically and does not need to be applied for, provided the required amount has been paid, cleared by the bank and credited to the student's account. This is not an instantaneous process and various clearance periods apply as described in the next section. To avoid delays, please ensure that payments are made sufficiently in advance of registration. The final day for financial clearance for first time entry undergraduate students, returning UG, Hons, PGDIP, CWM, and New Hons, CWM, Research M&D students is **7 February 2025**.

HOW DO I OBTAIN FINANCIAL CLEARANCE TO REGISTER?

The Registration fees for the year 2025 is R5950 (subject to changes). All students are required to obtain financial clearance in order to register. Financial clearance can be obtained in more than one manner. Students without financial clearance must complete the academic registration. Their registration will not be complete until such time as they are cleared financially.

If you are a South African, self-funding student, an initial tuition deposit of R5950 (subject to changes) must be paid prior to registration, along with all outstanding fees. Residence students are also required to pay an initial residence deposit of R5200 (subject to changes) prior to admission into residences. Payment can be made via a deposit into the University's Bank Account. If you are a recipient of a financial aid loan, a bursary, scholarship, bank loan or company sponsorship, the necessary documentation will have to be processed by the relevant section within the University prior to registration clearance being obtained.

Link for the Student Fees:

<https://registration.ukzn.ac.za/remote-online-operations-for-student-fees/>

FINANCIAL AID AND FUNDED STUDENTS LOANS

Automatic clearance will apply to students who have been confirmed as funded by NSFAS based on the Funded list received from NSFAS for 2025. For NSFAS funded students who owe fees for prior years the requirements stipulated in the annual financial concessions published by the CFO will be applicable.

BURSARIES AND SCHOLARSHIPS FROM UKZN

An award equal to or greater than the minimum required deposits will allow automatic clearance.

SPONSORED STUDENTS

A letter from the sponsor, confirming the funding, addressed and payable to the University of KwaZulu-Natal, must reach the Student Funding Centre well in advance of orientation.

BANK LOAN STUDENTS

Original bank letters, confirming the amounts of the loan, payable directly to the University of KwaZulu-Natal must be presented to the Student Fees Office. Where banks make payment directly to the student, the full registration deposit is required.

SELF-FUNDED STUDENTS

The following payment options are available:

NB: We Are no longer accepting cash deposits for student fees during registration that is over R500 per student number.

THE UNIVERSITY BANKS WITH STANDARD BANK

Direct deposit payable into University of KwaZulu-Natal Bank Account. Fee clearance will be automatically effected on the day the bank transfers the deposit to the University Bank Account (normally 3 full working days after the deposit date).

Internet deposit payable into University of KwaZulu-Natal Bank Account. Fee clearance will be automatically effected on the day the bank transfers the deposit to the University Bank Account (normally 5 full working days after the deposit date).

Credit Card payments can be made ONLINE via the Click-to-Pay links on www.ukzn.ac.za

Direct Deposits are systematically updated on the student's account within a period of 3 to 4 working days. Deposit slips will not be accepted as proof of payment.

INTERNATIONAL STUDENTS

All international students must ensure that they produce valid passports, study permits and health insurance to the International Student Office before proceeding with academic registration. A certificate of clearance will then be issued to them to proceed with registration.

All international students must have in their possession: passports, study permits and medical insurance before registration.

STUDENT HOUSING

The residences will be open from 31 January for all first-year students undertaking pre-University activities and they will be allocated to their respective residence rooms. All self-funded students that have been accepted into residence for 2025 will be required to pay a deposit of R5200. If you have any queries about your residence selection, fees and/or procedures to be followed, please contact the

Student Housing Office:

Tel: 031 2608070 / 8150 / 7901 / 4775

Fax: 031 260 8084

E-mail: ntulis3@ukzn.ac.za / khumalos@ukzn.ac.za / mthembut@ukzn.ac.za

STUDENT CARD

On completing your academic registration, you are required to present your ID document to Risk Management Services when you come onto campus before a Student ID Card can be issued.

STUDENT PARKING

Vehicles may be parked on campus once the parking fees are paid.

Students may log on to www.rms.ukzn.ac.za and select Online-Forms (Student Parking Discs) to complete their parking applications.

Students may only apply after acquiring a student card and having it validated for the year.

Payment for parking will automatically be debited from the student account. A student parking disc is valid for a period of one academic year. Persons bringing vehicles onto campus are responsible for familiarizing themselves with the current traffic rules, which may be viewed on the RMS website. Any serious or persistent failure to observe the traffic rules could result in the withdrawal of parking privileges and / or disciplinary action.

First Time Entry Students to UKZN PRE REGISTRATION REQUIREMENTS

To be eligible to use the on-line registration system, make sure you have complied with the following pre-registration requirements:

ADMISSION STATUS

Have you obtained confirmation of admission, on the University database, into the desired degree programme for the first semester of 2025

<https://caocheck.ukzn.ac.za/Start.aspx>

Track your application:

You will be able to track your progress during application and registration periods, and you will be able to optionally request more information from the university via structured online options. Please click on the following link: https://erpweb.ukzn.ac.za/pls/ukznint/w99pkg.mi_login?numtype=S

What does it entail to be admitted to a degree programme on the University database? The university would have made you an offer for one or more-degree programmes.

These offers would have included a Consent and Indemnity Form, an Acceptance Form, a Student Number and instructions on how to accept the offer being made by the concerned.

You would have already completed all of the above forms, paid the minimum R250 non-refundable deposit to the university, and uploaded all the forms together with the proof of payment to the relevant College Admissions Office. Please ensure that a certified copy of your ID and result sheet is attached to these documents. Failure to produce these documents will result in your admission status being pending.

The College Admissions Officer, upon receipt of these forms and proof of payment, would have fully admitted you into the degree, and updated the main university database with the appropriate status code (This means you may be entitled to register for more than one programme. You must decide which one you will register for and decline the offer of the one you do not want as you cannot register for more than one at a time).

Have you got one or more "SYSTEM HOLD" on your student account?

A system hold is a status automatically placed on your student account when you are not in compliance with any of the registration requirements, financial requirements or university rules and policies. These System Holds have various meanings and associations. If you have not paid the minimum fee amount, or as a bursary or scholarship recipient, not obtained bursary or scholarship clearance, this will cause a REGISTRATION HOLD to be placed on your student account.

If, as a financial aid recipient, you have not returned all your financial aid documentation, this will cause FINANCIAL AID HOLD to be placed on your student account.

If you are an International Student and you have not obtained clearance for the International Student Office, this will cause a REGISTRATION HOLD to be placed on your student account.

The self-help (on-line) system will provide you with guidance and advice on the HOLDS on your student

account. Please e-mail the relevant section, within the University, with the required items to remove/clear these holds.

WEBSITE ADDRESS: <https://sc.ukzn.ac.za>

ON-LINE REGISTRATION STEPS

The following steps are integral completion of your registration.

Compliance with all of the pre-registration requirements i.e. you have been fully admitted to the degree, have obtained financial clearance, and have cleared and removed all system holds on your student account as per the university's rules and policies.

PLEASE NOTE THE FOLLOWING:

Students with no registration holds (i.e. RISK, document hold, etc), but have outstanding fees, can provisionally capture their module choices on-line, and will be automatically registered once they receive the necessary financial clearance.

Link for the Student Fees:

<https://registration.ukzn.ac.za/remote-online-operations-for-student-fees/>

Students need to go to Student Central. **WEBSITE ADDRESS:** <https://sc.ukzn.ac.za> to register.

Please watch the following registration video via the following links before attempting to register: English: UKZN Online Registration Tutorial Video (English) - YouTube. <https://youtu.be/efr2jdTXk6Y>
