

The Rotary Club of Westville will be facilitating a Career Forum for Grade 10, 11 and 12 students at the Westville Boys High School Multi-Purpose Centre on Thursday 20th March 2025 from 08h00 to 13h30

We would like to extend an invitation to you to participate in this event.

The intention is to complement the school's curriculum and the objective is to assist our young people to make informed study/career choices.

Further details re the event's program will be conveyed closer to the time.

There will be no cost to the students but we would like to offer you a table at a cost of R875 per table to display banners, distribute pamphlets etc. and to enable students to engage with you. The funds raised will be utilized to cover costs for the event with the balance being donated to worthy causes that the Rotary Club of Westville support - the Rotary Club of Westville's services for the event is free of charge.

We hope that you will take advantage of this opportunity to market yourselves to this wider audience and will be grateful if you can revert to us to confirm your participation at your earliest convenience.

Kind regards

Alex Wardle
